Campbell's FOODSERVICE MADE TO SERVE®

FROZEN SOUP

CRAFTED with CARE
EVERY INGREDIENT EARNS ITS PLACE

FRESH? FROZEN?

Our soups are both.

REDUCE WASTE

Frozen prepared soups have a shelf life of **21 MONTHS,** compared with refrigerated soups' shelf life of 2-3 months

This longer shelf life can help make menu forecasting easier when facing inconsistent demand

MAXIMIZE INVENTORY

Frozen prepared soups are delicious on their own, but they are also extremely versatile and can be cooked down to create great-tasting **SAUCES** or used as a **SPEED-SCRATCH INGREDIENT** in other dishes

Our ready-to-eat soups are easy to use in recipes and simple to serve

FREEZING LOCKS IN FRESHNESS

Unlike some refrigerated soups, frozen soups don't need added preservatives

Ingredients are carefully selected, then the soup is frozen at the **PEAK OF FRESHNESS** to lock in flavor

When thawed, they have the same high quality as they do on day one, maintaining both flavor and nutrition

FULL OF WHAT GUESTS LOVE. *Not what they don't.*
